*you may choose a game from a pre-selected list of age appropriate popular games

Free Reduced Meal Applications:

Did you know?: A substantial amount of your school's revenue is generated based on the amount of free and reduced meals we provide for our students! We would love to feed every student, but even if your child doesn't plan on dining with us, the school district sees a benefit to having them apply and be approved for free/reduced lunches.

- Free and reduced breakfast/lunch applications will be available online at <http://www.schoolunchapp.com/>, Additionally, we will be sending applications home with your student, or you can pick them up at the office or cafeteria.
- While approval of free/reduced meals are income based, **WE ENCOURAGE EVERY FAMILY TO APPLY.**
- **Only 1 application per household is needed.** List all members of family or household on the same application including children not enrolled in Durant schools. If you have students in other schools outside of Durant ISD you must fill out another application for those students, but you still include **ALL** members of the household on each application.
 - Members of the household include:
 - Parents or guardians**
 - ALL children (in school or not)**
 - ANY other person residing in the same home or domicile**
 - Household members do not need to be related to qualify. They must only reside in the same home or home.
- **BONUS:** Any application received automatically enters each student into a drawing for a **Nintendo Switch Lite, and a free game of your choice**
We are giving away one at each school!!!
- If you prefer not to participate in the Free/Reduced Lunch Program, you can still fill out an application and check the box that says you don't want to participate, or just enter your child's name and school site and you will still be entered into the drawing!
